

WAVV 2010 Sessions Changes

Add following session in Meeting Room 4 at 9:15 am on Sunday.

'How to Make Linux POCs successful'

Often the introduction of zSeries Linux into organizations is done via proofs of concept. The speaker will present what needs to be done to make POCs successful.

New CICS Session in Meeting Room 3 at 3:00 pm on Monday.

CICS-Free-For-All BOF
